Dear:

Thank you for requesting reinstatement as an athlete in the Canadian Bodybuilding Federation, CBBF.

Since you competed in the CBBF as an amateur then left to compete for cash or cash prizes, you were no longer considered an amateur by the Canadian Bodybuilding Federation, CBBF.

The CBBF policy is an athlete may re-apply, as you have for one occasion. If however you should decide to compete in another organization you will lose your amateur eligibility permanently.

Please sign off as indicated and return the letter as to your desire to return to the CBBF and we look forward to having you compete again with the CBBF.
